Attic & One-roomed Apartments

These modern and spacious studio flats were redesigned to ensure a stylish contemporary lifestyle which redefines hotel experience: designer sofas, extensively accessorized wardrobes, office area with free internet access, fully equipped kitchens. Free Wi-Fi, free Sky, Pay per View.

Two-roomed Apartments

We offer a wide range of two-roomed flats: the traditional ones have completely separate bedrooms while the loft flats are structured on two levels: a double height living room on the ground floor from which the interior stairs lead to an open space bedroom. The fully equipped kitchenette gives onto the bamboo garden or the street (Via Sacchi). Free Wi-Fi, free Sky, Pay per View.

Suites

Our suites are unique in terms of size and design: attention to detail and the use of quality materials ensure a new, high standard way of living ideal for both business trips and couple's holidays (designer sofas, extensively accessorized wardrobes, office area with free internet access, fully equipped kitchens; free Wi-Fi, free Sky, Pay per View). All our suites have double height living rooms, each one with different characteristics: some are carpeted, others feature parquet flooring while others may even include hot tubs. All suites overlook the bamboo garden or the street (Via Sacchi).

De Luxe Family Apartments

Deluxe apartments are designed to create a home-like atmosphere ideal for families who just want to relax after a full day's sightseeing. The kitchen is duly equipped for enjoying a hearty breakfast or a nice supper. The one-floor apartments have a separate bedroom while the loft ones have interior stairs leading to an open space bedroom that gives onto a double height living room. The apartments can feature carpet or parquet flooring and overlook the bamboo garden or the street (Via Sacchi) while each one maintaining its own style. Free Wi-Fi, free Sky, Pay per View.
